

Fact sheet

Galliford Try is a leading construction group, carrying out building and infrastructure works across the UK

Our purpose

Our purpose is to improve people's lives through building the facilities and infrastructure that communities need, providing opportunities for our people to learn, grow and progress, working with our supply chain to promote the very best working practices and caring for the environment.

Our business

Operating as Galliford Try and Morrison Construction, our work for public and private sector clients is well balanced and extensive.

We are focused on the health, education, defence, custodial, highways and environment sectors, where we have core and proven expertise, and a strong pipeline, as well as our growing capabilities in FM and the Private Rented Sector.

At 30 June 2023, we had 3,900 employees, with 6.3% of them in graduate, apprentice or trainee roles.

Key strengths

- Well-capitalised and debt-free.
- Disciplined approach to project selection and rigorous risk management.
- Strong, long-term, collaborative client and supply chain relationships.
- Public and regulated sector investment is driving robust demand in our chosen markets, where we are on key frameworks.
- Growing capability in higher margin activities such as capital maintenance.
- Our investment in digital and technical is delivering greater efficiency for clients, and driving down carbon.

Sustainable Growth Strategy

Our strategy targets sustainable growth from a baseline of FY21 and aligns profit with purpose. Sustainability, driven by digitalisation, decarbonisation and social value, is at its heart, responding to stakeholder needs and increasing the long-term operational and financial performance of our organisation. Our focus is on margin growth, with revenue targeted where our markets support growth.

Risk management

Assessing and managing risks and uncertainties is the central element of our process and business strategy. Commercial control and rigorous risk management are an integral part of our strategy. We achieve this through our:

- Focus on margin improvement as we grow.
- Disciplined approach to project selection including:
 - Ensuring appropriate terms and conditions for each project.
 - Employing margin thresholds.
 - Peer reviews of bids and contract reporting.
 - Board approval for all bids with specific risk factors or with a value of over £25m.
- Aligned and informed supply chain.
- Clear management reporting lines.
